## Negligence

### Jury blames drivers in city traffic fatality

A coroner's jury has brought in a verdict of negligence on the part of both drivers involved in a grinding collision which claimed the life of a 42-year-old White Rock woman early Sunday morning.

Elizabeth Elsie Donnelly, of 15356 Victoria Avenue, died instantly when the 1954 Meteor she was driving collided with a 1950 Monarch at State Road and Thrift Avenue at about 12:15 a.m., Sunday, October 12.

The jury deliberated for nearly an hour Wednesday night at Chapel Hill Funeral Parlour before reaching their verdict. City Coroner Dr. T. R. Blades officiated at the inquest.

The jury learned Mrs. Donnelly suffered a crushed chest, massive internal injuries and a broken neck in the accident.

The owner of the car that Mrs. Donnelly was driving, John Frederick Peers, 28, of Halls Prairie Road, Cloverdale, was rushed to White Rock District Hospital by Chapel Hill Ambulance suffering from head injuries and severe shock. He was released Tuesday morning.

The owner and driver of the other car was James Thomas Smith, 10148 179 Street, Port Kells. His passengers were Edward Beckley and Danny Richmond, both of North Surrey.

All three occupants were treated in hospital for minor

cuts and bruises and later released.

The Smith car was reported to have been proceeding north on State when the accident occurred. The car driven by Mrs. Donnelly was proceeding west on Thrift, just east of State. Heavy rain was falling at the time of the mishap.

Mrs. Donnelly was one of

five people who met violent death, on B.C. highways during the Thanksgiving weekend.

She is survived by her husband, two sons, Clarence, RCAF, Ottawa; Brian at home; four brothers and two sisters.

Funeral service will be held today at 1:30 p.m. from Chapel Hill Funeral Parlour. Rev. J. Vass will officiate.

### Civil defence plans cavalcade of cars

White Rock Civil Defence are organizing a cavalcade of cars in an effort to determine the time required for vehicles to leave and return to the city on an eight-mile circular route.

Civil Defence Co-ordinator Rupert Harris has issued an invitation to the motorists of White Rock to participate in this exercise.

The cavalcade will be held on Sunday, Oct. 26, and will start at 1:30 p.m. on Washington Avenue between Walton's Garage and Duprez Ave. It will move off at 2 p.m. sharp. Each car will be given a travelling card and a sticker. Cars will be parked by the Civil Defence Traffic Control on their immediate return with a minimum of waiting, Mr. Harris said.

The entire exercise will be clocked and will not take up any more time than is necessary.

It is important that every car owner possible co-operate in this exercise for the good of

**Ratepayers Assoc. hold annual meeting**

White Rock Ratepayers Association will hold its annual general meeting on Friday, Oct. 17, at 8 p.m. in the Buena Vista Hall, Stevens Street. Films on land reclamation will be shown and the public is invited to attend.

### Violets in October at Ocean Park

Violets in October was the feature in one Ocean Park garden last week.

Mrs. E. W. Chadwick, 1437 129 A Street, brought a bouquet of violets to the Sun office. She reports there are several varieties in her garden.

White Rock," the Co-ordinator said.

All participants will be invited to a meeting and movie film at a later date. Time and place will be announced.

### First aid course offered by C.D.

White Rock Civil Defence will sponsor a St. John Ambulance course in first aid commencing Thursday, Oct. 23 at the elementary school.

The course will continue for eight weeks and everyone is welcome to attend these classes. The course will start at 8 p.m.

### Jaycees plan annual auction

White Rock Junior Chamber of Commerce will sponsor its annual manufacturer's and wholesaler's auction during the first week in December.

The Jaycees are now contacting various companies in an effort to increase the products for display and auction this year.

The group is holding the auction in December because it feels this time of year is more advantageous for window displays.

John Atkinson, president of the Jaycees, said that the auction will stimulate local retail trade and at the same time provide funds for community projects.

Companies are asked to send their products to their local retail dealer or H. A. Kennett, 15589 14th Avenue, White Rock.

### Ocean Park Club to hear speaker

Mr. J. Maki, local representative for the Boys Clubs of Canada will be a guest speaker at the Ocean Park Boys Club Tuesday night at 7 p.m. in the Community Hall.

This will be a parents night and Ted Hindmarsh, director at Ocean Park, urges everyone to attend this meeting.

The Club will discuss affiliating with the Boys Clubs of Canada and parents will be asked to offer their views.

### Red Cross needs cutter

The Red Cross workroom is desperately in need of a cutter. Mrs. Elizabeth Morden, secretary of the local Branch, reports.

Mrs. Bonnell, who was the cutter and sewer, has resigned due to ill health and a volunteer is needed immediately.

Hours would be from 2 to 4 p.m. on Tuesdays or any time suitable to the cutter.

### New lease for Little League

Little League baseball got a new lease on life in White Rock Tuesday.

At a meeting of White Rock Boys Baseball Association called to close the books the eight people present agreed to try to promote interest in the league for next year.

Mr. and Mrs. Harry Davey, president and secretary of the Association, had earlier announced their resignation due to lack of parental interest in the Little League.

The Daveys agreed Tuesday to assist the movement in any way possible providing the executive positions could be filled.

Mr. and Mrs. Hal Wilson, Mrs. E. Peterson, Len Colshaw, Jack Dicken and Vin Coyne, felt that an attempt should be made to stir up interest as White Rock teams had now been operating successfully for two years.

A general meeting of the Association has been called for Monday, Nov. 3, at 8 p.m. The meeting will be held in the Council Chambers at City Hall, providing it is vacant on that night.

All parents, and anyone interested in assisting Little League in any way, are asked to attend.

### Surrey Court of Revision sits Nov. 1

Surrey residents are reminded that the Court of Revision will hear complaints and correct and revise the list of electors for 1959 in the Municipal Council Chambers on Saturday, Nov. 1 at 1 p.m. This will include the election scheduled for December of this year.

All electors are advised to check the Voters List which will be posted at the Municipal Hall, Cloverdale, and at Whalley Realty, 10474 Trans Canada Highway on Monday, Oct. 20.

Municipal officials point out it is the responsibility of the elector to see that his name is on the Voters List prior to the sitting of the Court of Revision.

### Kinsmen again sponsor Hallowe'en program

White Rock Kinsmen Club will again stage their annual Hallowe'en party in White Rock on October 31. Location has not yet been settled but it is possible the Semiahmoo High School gymnasium will again be available.

If not, it is expected the party for pre-school children and elementary school pupils will be held in the basement of the Elementary School with the high school party staged at the Silver Moon Hall. The High School gymnasium is now under renovation.

Shell-out tickets will again be sold to help defray the cost of the party.

The Kinsmen's slate of officers soon to be installed, includes Steve Sviatko, president; Ed Carlin, secretary; Peter Lowe treasurer and Harold Aronson, registrar.

Two prospective members have indicated their interest in joining the club and one has returned from last year.

Bryce Holland will chair the Mothers' March committee in an advisory capacity. Peter Lowe is bulletin editor.

A surprise program is planned for the next meeting, Monday, Oct. 20, at the Silver Moon Hall at 7:30 p.m.

President Sviatko is introducing meetings featuring topics of wide interest to help encour-

Mart Kenney

Norma Locke

Mart Kenney, the leader of Canada's top dance band, and Mrs. Kenney, professionally known as Norma Locke, will appear at the Panda Supper Club on Thursday, October 23. This presentation will highlight White Rock's Centennial year festivities.

### Elks Lodge present giant bingo here

White Rocks' B.P.O. Elks Lodge will sponsor a giant bingo program on Tuesday, Oct. 21 at 8 p.m. at the Panda Supper Club.

Cash prizes are being offered in the 16 games and proceeds will go to aid White Rock Elks charities. A \$200 cash jackpot will be the feature of the evening.

Tickets are on sale at White Rock Bakery, White Rock House of Flowers, Terry Bear Toggery, Bob Waite's Market, Valley Lumber Yards Ltd., Bruce Hall's, White Rock Bakery - Hilltop, Centre Food Market, Glenere's House of Color and White Rock Sun.

Semiahmoo Stage Lines will operate that night, taking the same route as it does for Sunday church services.

The bus will proceed east on Columbia to Maple, down Maple to Campbell River Road, east on Campbell River to Stayte, up Stayte to North Bluff, west on North Bluff to Johnston.

down Johnston to Buena Vista, west on Buena Vista to Oxford and Washington.

It will then travel west on Marine Drive to Nichol, up Nichol to North Bluff, east on North Bluff to Johnston, down Johnston to Buena Vista, east again on Buena Vista to Stayte, down Stayte to Campbell River and then west on Campbell River to the Panda.

There will be a special door prize and Elks members urge everyone to attend and try their hand at bingo.

### Ocean Park Socred W.A. meets today

Ocean Park Social Credit W.A. will convene at the home of president Mrs. E. Scott, 3188 Stevenson Road, on Thursday, Oct. 16, at 2 p.m.

Business of the meeting will be to choose delegates for the provincial convention on Oct. 30 in Vancouver.

The group has invited Delta MLA George Massey to show a film on the Deas Island Tunnel in the Ocean Park Hall on Saturday, Oct. 18.

The group urges every citizen, parent, teacher and student to see this film.

### Duckworth store announce changes

Duckworth Store has announced that Ed Wood, formerly manager of the White Rock store has been transferred to Chilliwack. He has been replaced here by Mrs. J. H. Kaiser.

### Senior Citizens to hold Christmas bazaar

White Rock Senior Citizens Association, Branch No. 38, will hold a bazaar in the United Church Hall commencing at 2 p.m. on Wednesday, Nov. 5.

The bazaar will include fancy work, home cooking, white elephant stall and rummage sale.

General convener will be Mrs. Everest assisted by Mrs. Lilley.

Mrs. Crittendon, provincial president, will officially open the bazaar.

### THE WEATHER

Date	High	Low	Rain
Oct. 8	57	46	1.2
Oct. 9	47	39	1.68
Oct. 10	53	43	2.77
Oct. 11	58	47	3.35
Oct. 12	58	52	3.35
Oct. 13	58	49	4.9
Oct. 14	58	50	

Max Zack, Official Observer.

### Socred W.A. plan Christmas sale

Hilltop Social Credit W.A. met at the home of Mrs. Etheridge on Oct. 10 to hear guest speaker Mrs. E. Fingerson of Vancouver.

Plans were completed for the tea and sale of Christmas cakes to be held at the home of Mrs. Jack Burrows on Nov. 14.

### Mrs. Killpatrick passes Tuesday

Mrs. James Killpatrick, 2123 King George Highway, passed away at 8:45 p.m. Tuesday in White Rock District Hospital. Funeral arrangements will be announced later.

### Roller skating starts here

Roller skating will be held at the Silver Moon on Wednesday, Friday and Saturday evenings from 7:30 p.m. to 10:30 p.m. and on Saturday afternoon from 2 to 4 p.m.

### Semiahmoo stages 1958 homecoming Friday

Semiahmoo High School will stage its annual Homecoming program on Friday, Oct. 17, commencing at 7 p.m.

The senior girls basketball team will get things underway with a game against the Ex-grad girls. The senior boys team will take on the Ex-grads in the 8 p.m. feature contest that usually provides lots of excitement.

The basketball games will be followed by a dance. Proceeds of the evening will go to the Grads of 1959. Pop and candy will be on sale.

Students and former students are urged to attend and support their teams.

In high school soccer action, Semiahmoo opened the season with a 2-0 win over North Surrey with Terry Ward and Robin Marshall scoring.

Marshall gave Semiahmoo a 1-1 tie in the next game against Delta but the White Rock team went down to a 3-1 defeat against Princess Margaret. Bob Shaw scored the losers only goal.

Semiahmoo is presently tied for second place in the Lower Fraser Valley League.

The junior high school soccer tournament will be played Saturday at the Cloverdale ball park.

## 'The Chanticleers' to appear in Nov. concert

George Zuckerman, director of the Overture Concert Association of Vancouver, presided at a meeting of the Executive Committee of the Semiahmoo Bay Overture Concert Association, held on Friday at the home of Mr. and Mrs. Max Zack.

The well-known and popular male quartet, "The Chanticleers" was scheduled for the first concert to be held at the Park Theatre in November.

Negotiations are under way to book the outstanding Canadian soprano Marguerite Gignac for the second concert in February, and Alan Harlan, pianist, for the last concert of the series to be held in April.

It was decided to extend the membership drive another week to enable those interested persons who have not yet been contacted to purchase their subscriptions. Memberships may be obtained at the White Rock

Membership cards will be stamped with the names of the performing artists and dates of the concerts, and forwarded by mail to subscribers not later than November 15.

Possibility of providing transportation to the concerts for those living in the outlying districts is being investigated. The committee is anxious to secure the names of those who would make use of the service if it could be made available. Anyone interested can contact: Miss Keeling at the Library.

Since the series will be of special interest to students, the committee urges any students interested in attending the concerts to purchase their subscriptions at the reduced student rate from Mr. Neil Primrose at the Semiahmoo High School or at the Library.

## OAPA study site on Semi. Indian Reserve

The regular monthly meeting of the O.A.P.O. was held on Tuesday, Oct. 7, in the Connor's Hall. There was an excellent turn out and the secretary reported that the membership had now reached 271.

Arrangements are being made to have the annual Christmas dinner in the new United Church Hall on Wednesday, Dec. 10. As the entire expenses of this dinner are paid out of the organization's funds only members in good standing will be admitted and no new members for 1958 will be accepted after November 30th. An excellent entertainment program is being arranged and all are assured of having an enjoyable time.

On the subject of building a hall for our own use Mr. Browne, the president, reported that Mr. McKinley, Mr. Gillespie had met with Mr. McLellan, M.P., and looked over a site at the foot of Maple St. on the Semiahmoo Indian Reserve.

Mr. McLennan was very sympathetic and stated he would take the matter up with Surrey Municipality and the Dept. of Indian Affairs at Ottawa to see if an arrangement could be made to lease a portion of this ground on which to build a hall.

This site is most desirable as it is accessible to all members and a hall could be built there on street level to avoid any necessity of climbing stairs.

Mr. Merckley reported that the time did not appear ripe for the starting of a social club at present but the subject will be brought up again later. Many members hope this will not be too long delayed as it is felt that more frequent meetings of members on a purely social basis is much to be desired.

Mr. L. T. Williams, first president of this branch, gave some humorous readings which were much enjoyed. Mr. Griffin, also a past president, spoke and Mr. Bottomley gave a reading. Musical numbers, in duet, were rendered by Miss Lock and Mr. Stanier. Mr. Wilson gave some lively music on his violin and

### Lutheran Church quarterly meeting

The third quarterly meeting of Zion Lutheran Church, Pacific Highway, Cloverdale, has been called for Monday, Oct. 20 at the church.

On the agenda will be the discussion and adoption of working drawings and specifications for the new school to be constructed on the Old McLellan Road; also, committee recommendations about the operation of this school will be discussed.

The church budget for 1959 will also be established and a visitation program to bring this information to the membership will be presented. Mr. Chas. Schultz, chairman, will preside at the meeting called for 8:00.

To do as one would be done by, and to love one's neighbor as one's self, constitute the ideal perfection of utilitarian morality.

- J. S. Mill

In order to apprehend more, we must practice what we already know of the Golden Rule, which is to all mankind a light emitting light.

## Young bowlers get big chance Saturday

by Stew Maxfield

Of particular interest this week is the challenge we have received from Abbotsford in the Little League class. Abbotsford has offered to bring over 3 teams of young folks to play our Horseshoe League next Saturday morning at 10 a.m. Anyone got an old pair of ear drum protectors for sale cheap?

Nicol Angels hit the top points this week with 3 nice games for a total of 3088. Blow Outs still hold the top spot in the Mud Bay League but they had better watch those people from Nicol Road.

Myrtle Page came up with a nice 232 in the S.O.S. League while Corrie Lumley rolled a 3 game total of 592. On the men's side, P. Phillips rolled a high single of 242 with top 3 going to Lorne Page with a 623.

In the Tuesday afternoon Homemakers we have Mrs. Hot Shots continuing to live up to their name, with Hot Shot Betty McArty taking ladies' high 3 with a 581. Luckies took high single with Mrs. Shepherd's 228.

Thursday afternoon the B Division top points went to the Cookies. Mrs. Dresser of the Candy Kids took a walloping 3rd game for high single when she rolled a 239.

Quality Heating sure wallop-

ed the Maples Tuesday night with 3 games of 999 - 1016 and 1081 for a total of 3096. This places them just 1 point behind top team White Rock Motors.

Bob Browne of Coast Motors rolled 3 lovely games for high single and three with 3 lines of 210 - 289 and 280 for a total of 765.

Strike Outs came out on top in the Eagles this week, with Casey Bloome rolling a couple of nice games for high single of 268 and a total of 648.

Sputniks of the Wednesday Mixed rolled a 2748 for top tpos this week with Ila Vebe whacking out 277 - 156 and 210 for a 643 total. Men's high single and three went to old reliable Doug Bodley with a single of 253 and a total of 631.

Ken Stewart's Maple Super Market keeps pounding away and now lead the New Commercial with 20 points. Bush and Tingle are right on their tail and my advice to Ken is to keep that Bull Whip handy.

Wendy McKay's Bird Dogs rapped out a 2 game total of 1903 in the Teen Age League. Nice going you Bird Dogs - what a name! Tina Hazlett had a very nice game of 197 for girls' high single and Jackie McLeod took high 2 with a total of 371. Jack Barnett took both points for the boys with 2 games of 171 and 242.

In the Horse Shoe League Randy Davis' Dinosaurs sparked by Randy's two terrific games of 203 and 211, took top points for the week. Kerry Nicholson took top points for the girls this week with a single of 130 and a total of 229.

In the "B" Men's Commercial this week, Blue Bird Cafe took all 6 points to take over top spot with a total of 18 points. Mel McLean, sponsor of the Blue Birds gave a very good example to his team by hitting high single with a 259 in his first game.

Terry Maxfield of Ocean View Service rolled three very nice games of 243 - 209 and 216 for a total of 668 to take high three.

In the 10 Pin League, the Bombers took 6 points which puts them in 3rd place now.

### Sunnyside

Mr. and Mrs. G. R. Currie entertained at Thanksgiving at a dinner party. Those present were Mr. and Mrs. Thomas Currie of New Westminster, Mr. and Mrs. O. Stenstrom, Jerry and Ray Stenstrom of Sunnyside, Miss Shellah Alexander of Crescent, Mrs. J. English St., and Mr. and Mrs. J. English Jr. of Hope.

The last meeting of the Sunnyside Old Age Pensioners Association was entertained by members of the Fort Langley Association. Vocal and instrumental numbers were given as well as a member playing the bones. After the meeting a delicious lunch was served.

with Sunnyside holding top dog spot over the 2nd place 9 Pins by one point. Eileen Bishop took ladies' high single with 164 pins while Dot Weir landed high three with a 413 total.

John Yerk of the 9 Pins took over high single for this week when he rolled a 175 while old Bomber Bill Bradbury wound up for a 3 game total of 460.

### Ringer winners at Peace Portal

Ringer winners in the July and August matches of the Women's Division of the Peace Portal Golf Club were A Division, low gross, Olive Berry with Berylle Watson scoring low net.

Norma Johnson scored low gross in the B Division with Dot Underhill scoring low net.

In the monthly medal composition Marg Praxitz was first in the A Division with Marg Fletcher second, while Dot Underhill took first place in the B Division with Fran Broadfoot second.

Fewest fair shots in the A Division were scored by Berylle Watson with Elsie Miller winning in B Division.

In the Par points competition Olive Berry scored for A Division while Fran Broadfoot was the winner in B Division.

Clady's Fleming of A Division was first in the 9 hidden holes contest with Ellen Stevenson and Elsie Miller tying in the B Division with Ellen finally breaking the tie.

The season ended for the ladies at a luncheon followed by a 9 hole round of Goofy Golf last Tuesday.

### Women's Missionary Society meets Oct. 23

"Thanksgiving" will be the theme when the Women's Missionary Society Auxiliary of the First United Church meets at 2 o'clock, hursday, Oct. 23.

The guest speakers will be Mrs. K. S. Crook, of Vancouver, President of the B.C. Conference Branch of the W.M.S., and Mrs. A. J. Dodd, Murrayville, President of the Westminster Presbyterian, when they will discuss their impressions of the Dominion Board meeting of the W.M.S., which met in Toronto in June.

The devotional will be conducted by Mrs. A. R. Laing, and Mrs. Winnifred Robinson will be guest so'ist. A social hour will follow and all interested are cordially invited to attend.

### Blood donor clinic in December

White Rock will host another Blood Donor's Clinic in December, Mr. William Moffat, Red Cross president reported this week. Mr. Moffat has been assured the White Rock Lions will sponsor this year's Clinic.

An urgent need for more blood donations exists in White Rock when one realized that the local hospital requires nearly as much blood as is donated in White Rock. This leaves nothing over for remote areas where Clinics are never held. Mr. Moffat points out.

Recently there has been a sharp decrease in the donations of blood in White Rock but it is hoped that this coming Clinic will see a record number of donors availing themselves of the opportunity to give their blood to save a life.

WHITE ROCK SUN

THURSDAY, OCTOBER 16, 1958 3

### Hungry Bob at it again at Idle Hour

Hungry Bob Bradbury got that south paw wound up again Sunday afternoon in the first run of the Sunday 10 pin league to pound out 3 lines of 220, 201 and 156 for a 577 total.

This makes the third time

Bob has taken Ken Stewart, manager of the Maple Super Market on his 21 5or better \$5 grocery award.

The C.N.L.B. bowlers are slated to play again, Monday, October 20. Two Homemakers' Leagues have been completed for Tuesday and Thursday after-

B.C.E. President

## More power at no extra cost foreseen

The "have not" power areas will begin to catch up with more favored regions in Canada when nuclear power comes of age in the next generation, according to A. E. Grauer, president of B.C. Power Corporation.

Mr. Grauer told a luncheon meeting of the Rotary Club of Toronto Friday that no region should have to pay more for its power in the future than the price set by a suitably-sized nuclear plant — which would be available for purchase in a wide variety of sizes almost off the shelf.

He said it would become harder to distinguish between the "have" and the "have not" areas so far as power was concerned.

Mr. Grauer said every second or third generating plant under construction in Canada could be nuclear by the late 1970's or early 1980's although by 1960 nuclear plants might supply only about 10 percent of Canada's total power.

Abundant undeveloped water power would make British Columbia and Quebec the last provinces to turn to nuclear power, he added.

Mr. Grauer predicted that by 1980 Canada's electric power industry may be raising and spending as much as 20 percent of all the capital being put to work by industry across the nation.

Meeting such large scale financing would call for the fullest co-operation of institutional investors and the public and more sympathetic attention from government tax authorities, he warned.

Mr. Grauer stated Canada was lucky both in the timing and amounts of her discoveries of oil and gas.

"We should make sure that these valuable and irreplaceable forms of energy are used primarily for the benefit of our own citizens," he said.

This country, he added, was now using up about 120 million tons of coal equivalent energy each year and this rate of consumption was expected to grow to 300 million tons a year by 1980.

He said this tremendous growth of demand was due to exploding population and increasing per capita use.

Energy will go on being substituted for labor and will be increasingly applied to many materials where further processing can produce a more satisfactory product, he explained.

He said consumption of electric power had been growing even more rapidly than consumption of energy in general.

"Its pattern of use is both broadening and deepening," Mr. Grauer stated. "Daily we hear of new applications in which electricity is essential."

### Book Review

#### "BRITISH COLUMBIA RIDES A STAR"

by Vera Kelsey

Vera Kelsey covered the whole of our province by every conceivable means of travelling, ship, train, bus, car, van and even on foot. She went up the coast through the famous Inside Passage into the Peace River, with its vast granaries and oil wells, a wilderness of riches in metals and hydro-electric power, into the cattle-raising Cariboo; the fruit lands of the Okanagan; the mountains, mines, the industrial south-west or Lower Mainland; into logging camps and new cities; to Victoria, the capital, with all its beauty, and to Vancouver, world port and industrial metropolis.

She talked with men and women of all interests and gives a comprehensive picture of the province.

#### "MR. PEPPYS OF SEETHING LANE"

narrated by Cecil Abernethy

Here is a fascinating story recaptured for the contemporary reader from the musty pages of a famous 17th century diary.

Professor Abernethy skilfully re-creates the easy living of King Charles' golden days; he presents the opulent pageantry of Charles III's Coronation; the panic-stricken streets of London during the Great Plague of 1665, and the old city burning in the Great Fire a year later.

Pepps was a born reporter and wrote down all he saw and heard in enthusiastic detail; his jealousy of his high-spirited French wife, his amorous wandering and immediate self-reproaches are in great contrast to the happenings around him.

H. Mitchell.

Peace is such a precious jewel that I would give anything for it but truth.

- Matthew Henry

## A Dance And A Death

A news broadcast from one of the radio stations came out with a rather startling story about White Rock Sunday night. It quoted a civic official as blaming the rock 'n' roll dance here Saturday night for the traffic accident that claimed the life of a local resident.

The broadcast said the people of White Rock were up in arms because of the dance. It quoted a civic official, who wished to remain anonymous, as saying that earlier dances had caused fights, car thefts and property damage and then referred to the fatality, insinuating this was the most serious of all mishaps arising from these dances. The broadcast said the official intended on bringing in the matter before city council in an attempt to have any further dances banned.

Several weeks ago the Sun featured an article giving both sides of the rock 'n' roll story at White Rock. The proprietor of the dance hall felt that only one percent of the customers were trouble-makers, the type you would find at any dance. An investigation disclosed there had been considerable property damage to cars parked near the dance, there was no doubt the odd fight, and the police probably had theft of cars to contend with.

To attempt to have the dances banned on the grounds that they cause noise and property damage is one thing, but to blame a traffic death on the dance prior to the coroner's inquest is definitely another.

After contacting any civic official who would have the prerogative of making such a statement to a radio station, which, in our opinion, would include the mayor, aldermen and possibly city clerk, we find none of these people made any such statements to the radio station. Although the mayor and clerk were contacted, not being familiar with the details of the accident, they declined comment.

It would be an endless task to try and discover what "civic official" made these statements. It seems to be one of those interviews where the interviewed is missing.

We feel that rock 'n' roll must take its share of the blame when proof is given that it has an adverse effect upon the life of the community, but it cannot be expected to carry a human life upon its conscience when assumption is the only criterion.

## Our Police Force

"People seem to have a distaste for police" a police chief recently told Maclean's magazine. The article on police activities in Canada cites several cases where citizens have stood by and watched law enforcement officers beaten up by hoodlums. It also gave a number of examples of why the average Canadian seems to have a grudge against policemen.

The Langley Advance carried an editorial last week that stated "a few members of Canada's police system appear to be arrogant and officious, with a feeling that all those apprehended are criminals even before coming to trial. Most of us have encounters with police at one time or another, on what we consider to be trivial matters, and we don't like it." The editorial asks "On the other hand, what sort of life would we have if we had no police system in operation?"

No matter what our personal reasons might be, we must all agree a police force is essential for the protection of every citizen and for the good of the nation and the community as a whole.

The reason many people have a "distaste" for the police, is that they never get the opportunity to see their local force in action in time of emergency. Last Saturday night was a good chance for the critics to see what law enforcement actually entails.

In addition to their normal duties, three regular officers and the auxiliary police force had a large crowd, more traffic and a fatality to contend with—all in the pouring rain.

You might say the regular force are getting paid for their services. But so are the income tax people, the assessors and the dog catcher, and their work probably seldom proves as arduous as that of the law enforcer. The auxiliary police are all well-trained volunteers.

A policeman's lot may not be a happy one, but it might be made a little easier with the tolerance and co-operation of the individual.

## Fewer Deaths Next Time?

With British Columbia recording one of its worst holiday weekends in years as far as highway accidents are concerned, and as one tragedy struck close to home over the Thanksgiving period, motorists will profit by keeping the following traffic rules in mind every time they are behind the wheel.

More than 70,000 Canadians are injured each year in traffic accidents, according to the All Canada Insurance Federation. Most common causes are neglect and poor driving practices. Officials of the Federation, which represents more than 250 fire, automobile and casualty insurance companies in Canada, said the majority of traffic accidents are due to carelessness, rather than poor driving conditions or mechanical failures.

Safety officials stressed the importance of obeying the well-known traffic rules, and recommended some lesser known ones.

- 1) If hydraulic brakes give out suddenly on the highway, use the hand brake to slow down so you can shift to a lower speed, then proceed slowly along edge of road until you can get help.

- 2) Avoid arguments or violent excitement over the manners of other drivers. Additional adrenalin in the blood makes good driving difficult.

- 3) Check tire pressures before starting on a trip. Under-inflated tires make steering difficult, cause driver fatigue and cuts down life of tires.

- 4) When crossing streetcar tracks on a wet day, cut across diagonally to avoid skidding.

- 5) Stop for repairs well off the highway.

- 6) Don't change lanes unexpectedly.

- 7) Avoid "closing up" in heavy traffic.

## Canada's banking system C. M. Defieux discusses 'The world around us'

A short story for Canadians about the country's banking system and its unique features is told in a booklet distributed by The Canadian Bankers' Association.

It explains in a half-hour's reading how Canada got its strong banking system, how it keeps up to date and how it provides Canadians in big and small communities with the same wide range of banking services.

The 23 page booklet, "The Chartered Banks of Canada," in 16 brief chapters goes quickly through the history of Canadian banking, outlining how the modern system was built up and how it operates.

Canada has a branch bank system, the booklet explains. The first branch was opened in Quebec City in 1817 and today there are more than 4,500 in Canada and 151 in 18 foreign countries and eight territories of the British West Indies. Canada has more banking facilities in relation to population than any other country, the booklet notes.

At Confederation, the federal government got the power to regulate banking in the country, and the booklet tells how, by revision every 10 years, the Bank Act is kept up to date and the banking system kept abreast of the nation's needs.

There is a chapter of the Bank of Canada, the nation's credit bank, and it controls the amount of credit and money available in the country at any given period.

The booklet also contains a number of simple facts often forgotten:

There are 11,600,000 deposit accounts in the chartered banks.

At any given moment the banks have about 1,250,000 loans on their books. They aren't only loans to businessmen. A one-day check among bank branches made a couple of years ago showed that personal loans totalled 220,123,940. The size of these loans was

from under \$300 up to \$3,500.

Winding up its story, the booklet says:

"The Canadian banking system long has been known for its strength and stability, its ability to keep pace with the growing, expanding needs of a young and progressive nation."

## Deadline for P-T Questionnaires

There is only a short time left for the completion of the British Columbia Parent-Teacher Federation Education Brief Questionnaire.

Although some 30,000 questionnaires have been distributed to parent-teacher associations throughout the province, there are still some members who have neither seen the questionnaire, nor had an opportunity to discuss the contents.

Every member is entitled to express his views. The chairman of the Royal Commission, Dean S. F. N. Chant has stated that the Parent-Teacher Federation Brief is considered one of the most important that will be received and the Brief can only represent parent-teacher recommendations; if every member's opinion is included.

If you are a member of a PTA anywhere in British Columbia, and have not seen the questionnaire, or if it is not your Association, write to the deadline date of October 31, 1958, speak to your president immediately. Copies of the Questionnaire are available from the Provincial Federation office, 1815 7th Avenue, Vancouver 9, at a cost of 2 cents each.

Time is running out. No parent-teacher member should miss this unique opportunity to share in making recommendations that may affect the life of his child in school. The deadline for return of questionnaires is October 31, 1958.

## Letters to the Editor

## No Transportation

Editor, White Rock Sun.

Dear Sir:

In a recent editorial you extol the advantages of living in this beautiful city of White Rock and I heartily agree with all that was said, but what of the transportation? How does a man commute to work in Vancouver? For those of us who work from 9 a.m. to 5 p.m. in the big city, do we have to drive our cars or is there some means by which we can join with others in a pool car? The Pacific Stages evidently do not consider the breadwinner in their schedules, although a direct bus service to Vancouver, leaving here before 7:30 a.m. and departing from Vancouver shortly after 5 p.m. would solve a vital problem.

This seems to be one phase of life in White Rock which has been sadly neglected. For the retired family, life in our city offers everything desirable, but for those of us who still must work outside of White Rock—how do we get to work?

John F. Carpenter.

## More Lights

Editor, White Rock Sun.

Dear Sir:

We read that Mrs. Browne in the City Hall was motion picture lighting. We sure do, so we can see our way over mud and filth to get onto the road here. Whenever there is a surplus of weeds, stones, rockets, etc., it's brought along Royal and dumped. The time has come, the past two years. We paid for the street some years ago, so we would not be shocked with dust. Now we have the same thing again only more this time. When F. Street was widened, we had all the mud from there, not to mention morning glory and wild blackberry that we have never been able to get rid of. Now it's to make a fine approach to the United Church, the site of the new. We have about five steps now to get onto the road. If someone doesn't break their legs or

neck this winter the City will be lucky. How daft can we get? And having our taxes raised out of all reason in the bargain.

Sincerely,  
Noreen S. Burden.

## Help on Halloween

Editor, White Rock Sun.

Dear Sir:

I well remember your write up in White Rock Sun last October regarding the pulling down and destroying an old man's fence. I strongly suggest a strong frontier body of men to guard old people's homes where there is so much sickness and feebleness. Will you define the phrases of law as far as you know it? Is it lawful to cause and do damage on Halloween, then I say can you blame the youth or have them arrested the night after I say no. What a joke. No wonder some folks of the world laugh at us and our comical way of helping crime instead of using the iron heel to combat it. I for one applaud the man who fills in shells with rock salt. Yes, help the youth movement to what extra packages of cigarettes.

Yours respectfully,  
Taxation justice, when

## Dr. Gibson chairs Socred meet here

Dr. Gordon Gibson, M.L.A., acted as chairman for the opening meeting of the educational program sponsored by the Semiahmoo group of the W.A. to the Social Credit League held recently in the White Rock Lodge.

The group had as their guest, Miss Campbell Sayers, teacher at the White Rock School for Retarded Children, who gave a most interesting and informative outline of her work at the school.

The president, Mrs. T. Bleakley, thanked Miss Campbell Sayers and presented her with a cheque on behalf of the members who had chosen to assist this very worthwhile cause as their community project.

Rotarians listened intently at their Tuesday luncheon to an interesting address by Charles Defieux, public relations director for the P.N.E., on world affairs.

Choosing as his topic "The World Around Us", Mr. Defieux took his listeners on a mental tour through all the world's troubled spots and showed how in recent weeks a strange lull has settled in the diplomatic halls and in most countries of the world.

There is a feeling among world authorities, he said, that Russia has calmed Red China down and is helping to quieten the Quemoy and Formosa area. Nasser has quieted also and seems to be concentrating on local affairs in his own country.

Egypt, and is showing encouragement in improving that country.

France will stabilize under the influence of DeGaulle and his new constitution.

Passing from this travelsogue Mr. Defieux went on to his favorite theme, friendship between nations and showed how this was exemplified in relations between Canada and the U.S.A.

The entire world must settle down to a state of friendship between nations, for if we do not, the only other answer is oblivion.

Quoting estimated populations of the world by the turn of the century, Mr. Defieux told his listeners the world population will practically double in the next forty-two years and that our main issues should be a better standard of living and trading with all nations; provided we can keep our heads and prevent any obliterating war.

He was enthusiastic and in agreement with Canada's general policy on world affairs.

Regardless, whether it was Lester Pearson with the Liberals, our present Conservative UN policy or the CCF's attitude, they were all in agreement and thought alike on world affairs, giving Canada a strong, steady dependable united voice.

I have often said that all the misfortunes of men spring from their not knowing how to live quietly at home, in their own rooms.

- Blaise Pascal

## Lack of Interest

The Boys Baseball Association, its end is no surprise. Lack of local interest is what caused its demise. Recall the Festival this year, it ended not so fine. Lack of local aid caused the head man to resign. As for the final outcome, we will not deal with now. But it sure was most convincing, help eased off somehow. It's things like this we read about, just too bad you say. But can be overcome, where there's will there is a way. It's not up to the older folk, well qualified if they will. Anything to be successful, must be properly organized. Otherwise if it fizzles out we can't be surprised. Many things start out all right, but somehow by and bye, Lack of local interest makes them peter out and die.

W. F. McCLINTOCK.

## CITY OF WHITE ROCK

## Highway Line Marker

Tenders are invited for the supply of a self-propelled highway line marker of not less than 3 h.p. engine capacity and complete with air compressor, stripping gun, spray shields, gun flushing system, paint agitator, pneumatic tires and paint tank of a capacity of not less than 10 gallons capable of marking lines three inches to six inches wide.

Tenders marked "Line Marker" must be lodged with me, not later than 10 a.m., on Tuesday, October 28th, 1958.

JOHN L. JONES,  
City Clerk.

City Hall, White Rock, B.C.,  
October 14th, 1958.

boys and other playthings for the kiddies; fancy work of various descriptions, just ideal for Christmas gifts.

Home made candy will be packaged for suitable gifts and home baking will prove to be one of the bazaar's highlights. Christmas crackers for the kiddies will also be a special feature. Miscellaneous items of interest will be featured.

Special attraction will be the Novelty Christmas tree bearing surprise packages of not more than 25¢ in value. The raffle will include a hand worked baby crib quilt and a fine fur Teddy bear.

A door prize will be featured and tea will be served.

## Red Cross campaign in March

Residents of Crescent - Ocean Park and Elgin are reminded that the policy of the White Rock Branch of the Red Cross to operate a drive for funds apart from the U.G.N. will include their areas as well as the boundaries of White Rock city.

The rest of Surrey is including the Red Cross in their U.G.N. appeal but the White Rock Branch voted to continue their separate appeal which will be held early in '59.

Residents south of the Nicomekl River bordered by the King George Highway and the sea are reminded that they are included in the area covered by the White Rock Branch and they will be canvassed for Red Cross donations during the campaign for funds in March.

## OBITUARY

**CONNORS** - October 10, 1868  
Emerson Leslie Connors of 1413 Broad Road, White Rock. Age 62 years. Survived by his loving wife, 2 sons, William, Crescent Beach, and Philip, Kitimat; one daughter, Mrs. Dorothy Stebbie, North Surrey; 2 brothers and one sister. Also 6 grandchildren. Funeral service was held Tuesday October 14 at 1:30 p.m. from Chapel Hill Funeral Parlour under the auspices of the Canadian Legion Branch No. 8 with Rev. G. A. Affleck officiating, to the Field of Honour at Sunnyside Lawn.

## A Home Built for Provincial Type Furniture

This is a traditional style home whose exterior of brick, wood siding and field stone make an ideal background for antique or provincial furniture. The entry opens directly into the living room and dining area. There is a closet for coat storage here. The living room has a fireplace at one end and sliding glass doors leading to a porch. This room opens directly into the dining area or can be shut off from it by means of folding doors, which lends itself to expansion for entertaining large groups.

Structural lighting in the living room features built in illuminated valances over the front windows and over the sliding window wall to the patio. Light is thrown both upward to the ceiling to create a feeling of spaciousness and downward over the draperies to give a daylight effect. Intensity of the light can be adjusted to any level with built in Luxtrol light controls

## Around Town

White Rock residents will be happy to hear of the birth of a son of Mr. and Mrs. Glen Green of Ashcroft, formerly of White Rock. Michael Erwin was born at 5:50 a.m., October 5 and weighed in at 6 pounds 4 ounces. The bouncing boy is a brother for Gwen. Mrs. Max Green, the infant's paternal grandmother, is in Ashcroft at the present time.

News reached White Rock Tuesday, October 14, of the sudden passing of Gerald Etzel of Kindersley, Saskatchewan. He had wintered in White Rock with his wife and family for the past eight years. He was preparing to return to White Rock within a week or two when he suffered a stroke following a bout with the flu. Though paralyzed down one side of his body he still anticipated his trip west for the winter but his condition grew worse until his death. He leaves his wife Coral and one son and a daughter. Mr. and Mrs. A. O. Dobson Merklein Street, are the parents of Mrs. Etzel.

The October meeting of the White Rock Group Committee for Guides and Brownies will be held at the home of Dr. William Johns, 1271 Best Road, Monday evening, October 20 at 8 p.m.

Cake winner in the recent raffle staged at the rummage sale in the Silver Moon was Mrs. Pye of Columbia Avenue.

Kinsmen president Steve Sviatko is the proud father of a healthy baby daughter, Jean Allison Laura, born September 30 at the White Rock District Hospital. The new arrival weighed in at 8 pounds 4 ounces and is a sister for Kathleen Leslie, 5. Both baby and mother are doing nicely. Mr. and Mrs. Sviatko reside at 1453 Bergstrom Road.

Nine year old John Inglis, youngest son of Mrs. Nancy Inglis, Best Road, was taken to hospital Thanksgiving Day suffering from a bout with a stubborn chest condition.

Dr. Robert MacLean and family of Kerrisdale were weekend visitors at the home of Mrs. A. W. Day, 17037 Boundary Road.

## Last rites for

W. H. F. Burgel

Funeral was held on Sept. 30  
for William H. F. Burgel who  
passed away Sept. 27 at the  
age of 76.

Mr. Burgel, a well-known resi-  
dent of White Rock and Mon-  
doo, Sask., was born in Daven-  
port, Iowa and came to Canada  
in 1910. He homesteaded in the  
Mondoo district.

He is survived by his loving  
wife, Florence; one son, Robert  
of Mondoo; four stepsons of  
Elrose and Regina; one brother,  
Richard, Davenport, Iowa; and  
four sisters, Mrs. Amy Ducer  
and Mrs. Emmie Daw, Ontario;  
Mrs. Ella Zwingle, Medford,  
Wisconsin; Mrs. Laurie Fairley,  
Lawton, Oklahoma.

Rev. A. R. Laing officiated  
at the service held at the Uni-  
ted Church.

Honorary pallbearers were G.  
Simmonds, F. Armstrong, L.  
Cox, J. Hottum, W. Forgie and  
W. Woodbridge.

Chapel Hill Ltd. were in  
charge of arrangements. Cre-  
mation followed. Donations  
were asked to be sent to the  
Cancer Fund in lieu of flowers.

Rock, aged 42 years. Survived  
by her husband, 2 sons, Clar-  
ence, R.C.A.F. Ottawa, Brian  
at home; 4 brothers and 2 sis-  
ters. Funeral service Thursday  
October 16 at 1:30 p.m. from  
Chapel Hill Funeral Parlour,  
Rev. J. Vass officiating.

# Crescent United Church mark Thanksgiving

The annual Thanksgiving service was held last Sunday morning and the invitation from pulpit and press brought a response of fruits, vegetables and home cooking that made the church look like Ye Olden Tyme. Thanksgiving spirit came to life in the Church Hall - the Church proper being loaded.

The spirit of the season was everywhere rampant from the timely sermon by the Rev. G. A. Affleck to the lovely singing by the Choir which could not be outdone by the robustness of the elders in the congregation.

When an "induction" not an induction - when it's an "invitation." This was made clear at a recent congregational meeting ostensibly to welcome to the church pulpit the Rev. G. A. Affleck, B.A., so there will not be a formal induction, although the makings were present in the person of Presbytery Chairman Rev. W. R. E. Nixon, who gave Rev. Affleck and his charming wife an official welcome, which was endorsed by the Rev. Alfred R. Laing, representing White Rock and the Rev. D. S. McKinnell, Crescent Beach Anglican Church of the Ascension.

## Clubs Lodges

The regular monthly meeting of the Senior Citizen Branch No. 38 White Rock, will be held in the Anglican Church Hall, Roper Street, on Tuesday, October 21 at 2 p.m. Everyone welcome. Members are asked to bring in their work for the bazaar.

Stayte Road Hospital Group will hold their monthly meeting on October 22 at the home of Mrs. Russell, 1492 Stayte Road, at 2:30 p.m. Members are asked to bring their donations for the bazaar to this meeting.

White Rock Branch of the B.C. Historical Association will meet at the Library on Monday, October 20 at 8 p.m.

The regular monthly meeting of the Arcadia Hospital Group will be held on Thursday, October 16 at 2:00 p.m. at the home of Mrs. Neil, 15523 Columbia Avenue, White Rock.

## BIRTHS

Born to Mr. and Mrs. Robert Burns Trim of 3000 West Ham Island Rd., a son, October 6.  
Born to Mr. and Mrs. Ronald Douglas Campbell of 14957 Blackwood Lane, a daughter, October 9.

The musical part of this delightful evening was in the capable hands of Mesdames Johnson and Turnbull, Rev. Dr. Willan and Mr. Roy Hall also spoke.

The Ladies of the W.F. deserve much credit for the decor of the Thanksgiving Day Sunday service.

The Men's Club regular monthly supper took place Tuesday last when two excellent pictures were shown by Frank Welsh, after a lusty and tasty meal was provided by the ladies of the Women's Federation. Next of such gatherings will be the usual second Monday of the month, November 10, preceding Armistice Day.  
A. E. REED.

## Royal City marriage of interest here

A wedding of interest to White Rock residents took place in Shiloh United Church, New Westminster, on Oct. 10 when Norma Troup, daughter of Mr. and Mrs. B. Troup of Peace River, Alberta, and Lloyd McFadden, Durham, Ontario, were united in marriage.

The bride wore a brocaded ivory dress and carried a bouquet of gardenias.

Her only attendant was Mrs. P. W. Windsor of White Rock who wore a grey dress and carried a bouquet of pink carnations and roses.

Best man was Mr. P. Windsor.

Parents of the bride travelled from Peace River to attend the wedding.

The newlyweds will reside at 725 Royal Avenue, New Westminster.

## Sunnyside couple return from trip

Mr. and Mrs. G. A. Cook have returned to their home on Johnston Road after spending a two month vacation motoring through Canada and the States. They visited friends and relatives in Toronto, Brantford, Hamilton and Gault, Ontario.

Mr. Cook has a brother in Toronto with whom they visited. They crossed Lake Michigan on the Milwaukee Clipper and visited friends in New Hampton, Iowa.

They were most interested in the bridge opened last June, crossing the Mackinac Strait. This bridge, costing a hundred million dollars, the most expensive one yet built in the world, is seven miles long. There is a distance of five miles over open water.

The trip made in their little Prefect was delightful in all respects. Even the weather contrived to be at its best for the occasion.

Completely restyled in a bold, fresh design, Chevrolet for 1959 offers improved suspension, better brakes and easier handling characteristics. Front and rear views of Chevrolet's new Impala sport sedan, above, show large compound windshield and wide wrap-around rear window which insure greater visibility. Height has been reduced and passenger space is increased by almost five inches more width in front seat. Trunk is 20 per cent larger. A new six-cylinder engine, with redesigned valving and carburetion, gives up to 10 per cent more mileage and more usable horsepower at normal driving speeds. It is one of nine, six- and eight-cylinder engines offered this year. Fourteen solid and 11 two-tone combinations are available, all in a new acrylic finish, which retains brilliant lustre up to three years.

## No price tag on blood; Red Cross makes appeal

There's no price tag on blood in Canada.

This is due to the Canadian Red Cross free blood transfusion service, established in January 1947. British Columbia was first with this service which is now established across the nation.

Like gold, blood is where you find it or rather where there are humanitarian volunteers, men and women, who will give it willingly without reward.

Again, like gold, blood, though given freely by its owner, is expensive to collect. The operation of the Red Cross free blood transfusion service, embracing as it does collection, distribution to hospitals, shipping for manufacture of blood products, laboratory tests, Rf tests in pregnancy, research, etc., swallows almost one third of the annual Red Cross budget. Last year the national cost was \$2,470,989.54.

It is estimated that each pint of blood collected from volunteers by the Red Cross costs the Society \$5.60. In 1957, 387,024 bottles were collected in Canada - 54,973 of them in British Columbia.

On the other side of the ledger, in this province 22,329 people received transfusions of whole blood through the Red Cross service to hospitals. Of course some received more than others but it will be obvious from these figures that it is a constant struggle to keep up with the medical demands and all donors have the satisfaction of knowing that they have been an important factor in saving lives.

Open heart surgery, for instance, sometimes performed twice a week in Vancouver at the General Hospital, requires 15 to 20 pints of exactly matched fresh whole blood for each operation. This is to "prime" the heart lung machine or oxygenator, which takes over the job of blood circulation while the heart repair is made. Some of the blood collected has to be used to manufacture blood products such as serum albumin, fresh frozen plasma, fibrinogen and gamma globulin. In B.C. 227 patients needed one or the other of these products during 1957.

Turning just one of the figures into an actual human story, there is the case of Mrs. Mary Laxton, mother of three children, living in Burnaby.

Last Christmas eve Mrs. Laxton's life was saved by the administration of fibrinogen. She had given birth to a still-born child in St. Paul's Hospital, Vancouver, when complications set in. Although given four pints of blood by transfusion the blood coagulation

mechanism of her body had been thrown out of kilter and normal blood transfusion, which couldn't be matched by normal blood transfusion.

Her doctor appealed to the Red Cross laboratories for fibrinogen, a substance manufactured from human blood which restores the clotting mechanism and stops the bleeding in cases of this type.

Dr. T. D. Stout, medical director of the B.C. division Red Cross, immediately supplied five units, three of which were used on Mrs. Laxton and undoubtedly saved her life.

Since five pints of whole blood are needed to produce one gramme of fibrinogen Mrs. Laxton, who was given six grammes (three units) needed the equivalent of 30 pints of blood. This was in addition to the four pints she received in direct transfusion. But she would have died without it!

Another important feature of the Red Cross Blood Transfusion Service is the clinical Rf tests on the blood of expectant mothers - a service free to all doctors in the province. Last year 27,296 tests were made in B.C.

To go back to figures again.

## Launching ramp program for B.C.

A program to install boat launching ramps of a type tested this summer by the Department of Recreation and Conservation, at suitable points throughout the lakeshore areas of the Province, has been announced by the Hon. Earle C. Westwood, Minister of Recreation and Conservation.

"Experimental launching strips of a concrete and steel interlaced type popular in Washington State were constructed at Cultus Lake early this spring and have proven to be both economic and durable," Mr. Westwood said. "We are happy with the result of our experiments."

The ramps are constructed of interlocking concrete "planks" which contain steel reinforcing and steel connecting strips. They are extremely simple to construct and have proved to be practically indestructible to the ravages of wave action while having sufficient flexibility to fit existing beach contours. As they are laid over existing contours, they are not normally subjected to covering by sand drift.

"Under the long term construction program the next installations will be made at Alouette Lake in Garibaldi Park and at the newly opened Shuswap Lake near Celista," Mr. Westwood said.

## Women's Institute to hold display Oct. 25

White Rock Women's Institute will hold its annual display of Arts and Treasures at The Dolphins on October 25 at 2 p.m.

rounding areas will enter their displays in this show.

Any person or group having antiques or interesting hobbies for display are asked to contact Mrs. Sampert, 15341 Columbia, WI. 8-4651, or bring their articles to The Dolphins on the pier by 12 noon on Oct. 25.

## REMEMBRANCE

Come back to me in memory  
O sunset on a quiet sea,  
This sunset in October!  
Your flaming colours linger there  
To thrill my heart when trees are bare,  
and mists hang grey, forlorn.  
Then on memory's store I'll draw—  
again the skies will sing with glory—  
A shining pathway on the sea  
like bugle calls will come to me,  
As standing on a windswept hill a  
I'll look within, and see it still!

## Tourist season close relieves traffic

The close of the tourist season in White Rock has seen considerable relief in the traffic conditions and liquor situation in the city, RCMP monthly report indicates.

One major crime was committed in the breaking and entry and theft from the Traveler's Coffee Shop, Washington Avenue. The culprits were apprehended and are in the process of being dealt with.

There were six traffic convictions during September and eight warnings issued; two complaints received and investigated; eight unlighted street lamps reported; two business places found unlocked; six liquor cases; four articles lost; one bicycle stolen, with both of the latter recovered.

Prisoners' expenses and maintenance amounted to \$15.75.

Some \$420 was collected in Municipal fines with costs for same amounting to \$24 and \$15.50 to the Federal Government.

Mr. and Mrs. Fenner, 982 Lee Street, have returned, after spending two weeks with their family in Dunstable, Alberta.

## In the Garden

By G. E. Sery

### DAFFODILS DOMINATE SPRING LANDSCAPE IN THEIR SEASON

Daffodils are true heralds of spring, the first major flowers to blossom. With their appearance, landscape beauty begins to take form, as the size of the flowers and their groupings enable them to dominate the garden picture.

Though of limited color range, the daffodil has many attractive forms, and breeders are constantly at work developing new varieties in which bright red and orange trumpets make a vivid contrast with the white or yellow petals of the flowers.

The large trumpet varieties will rise to a height of two feet, with flowers six inches across when well grown. Other types are classified according to the relative size of their trumpets, from the giants to the poeticus type, in which the trumpet is reduced to a cup, usually a bright scarlet.

Breeders have long sought to produce "pink daffodils" and a few varieties have been introduced which have trumpets faintly suffused with pink when grown in greenhouses or in shady places outdoors.

Daffodils thrive in woods, where they can be naturalized and grow with little attention. They like to nestle at the feet of shrubs, or under trees, where they blossom before the leaves come out in locations which are then in the sun, but later will be shaded.

They are seldom lifted often, and then in three years. But never plant them where their foliage will be cut off before it turns yellow, which indicates that a new bulb has been formed and has matured.

The poeticus types are favoured for woodland planting in combination with the native bluebell or intermedia, the wood phlox, phlox ciliaris, and the white wood lily, trillium grandiflorum. In the garden they are in season with the species tulips and the dwarf irises and smaller spring bulbs.

Some of them are delightfully fragrant and are prized for this feature as well as their beauty. The narcissus family offers the first long-stemmed cutting material of spring. They are ideal cut flowers, as is shown by the quantities of daffodils forced and sold by florists each winter. The trumpet varieties are easily grown as house plants, provided only that the atmosphere here is not too dry, in which case buds often blast.

The sooner daffodils are planted in the fall, the better; it gives them more time to make roots and become established in the new location before the freeze-up. They need this time, because they blossom so early in the spring. They have little time to grow then, after the ground thaws out.

**STORE YOUR TUBERS FOR NEXT SEASON**  
Substantial savings can be made by the amateur gardener who digs his gladiolus bulbs, dahlia tubers, canna, tuberous-rooted begonias and other summer flowering bulbs and stores them safe from frost to replant next year.  
Not all bulbs and tubers require storage in a cool place.

Tuberous-rooted begonias will keep well in a warm basement if they are kept dry and covered with dry peat moss.

Wait until the first killing frost before lifting bulbs. Dahlias and gladioli may be left in the ground for a week or two after the tops have been killed. When the bulbs have been lifted, let them dry in the garage, or any frost-proof place until the soil shakes off freely. Then clean them, remove the dry stems, and inspect them carefully. Discard all showing injury or signs of mould, decay or disease.

Take especial care in lifting dahlia tubers because they are brittle. Cut the stems back to three inches of the tuber, and remove fine roots and depleted roots, saving the healthy, strong ones. Cut away all unsound portions of the tubers, and dust them with sulphur. If they can be kept in a place where the temperature averages 40 degrees, they need not be covered; but in a warmer place they may be covered with sand or dry peat moss. Be sure to label each tuber with its name for identification next spring.

Gladiolus bulbs should be dried in the sun, if safe, for three or four days after lifting. Keep each variety separate, and put bulbs and bulbets of each variety in together in a paper bag in which D.D.T. dust, 3 percent or stronger, has been dropped. Shake the bulbs so they are coated with the dust, which will kill any thrips the bulbs may harbour. Do not close the bag.

### Prospectors' courses open on November 4

Forty-first annual series of prospectors' training classes sponsored by the B.C. and Yukon Chamber of Mines will open in the Point Grey Junior High School, 37th Avenue and East Boulevard, on Tuesday, Nov. 4 at 7:30 p.m.

Lectures will be held every Tuesday and Thursday evenings over a period of three and one-half months.

Four subjects, Mineralogy, Geology, Mining and Prospecting and Driveway Analysis, will be offered.

A number of special lectures will be delivered by engineers associated with the Provincial Government Department of Mines.

Instructors are some of the most prominent teachers of mining in Canada, including Dr. Harry V. Warren, Dr. R. M. Thompson, Dr. Ken C. McTaggart and Dr. William H. White, all of whom are associated with the University of B.C., together with D. H. Rae, Mining Engineer and W. D. Eldson, Assayer and Chemist.

### Choral Society resumes practices

White Rock Choral Society has resumed practices for the winter season under the leadership of Rev. Garrie B. Splitt. The first work to be undertaken by the group is the sacred cantata "Daniel" by George F. Root and W. B. Bradbury. The Society meets every Monday at 9 p.m. in Buena Vista Hall, Stevens Street. New members are cordially welcome.

## Body Aches and Pains Quickly Relieved The "NIAGARA WAY" by Natural Return of Blood Circulation

NOT a pill or tablet; not a liquid but a new professional hospital and clinically tested device, for quickly relieving body aches and pains by stimulating and increasing blood circulation, thereby permitting nature to do the job intended. Like all '59 Chevrolets, the Impala Sport Sedan is roomier, smoother riding.

what Canada wants, Canada gets in a Chevy!

## '59 CHEVROLET

*It's shaped to the modern Canadian taste with a lean, clean silhouette, crisp new contours, beautifully restrained accents. It brings you more spaciousness and comfort with a new Body by Fisher. It has a bright new sheen — a new kind of finish that keeps its lustre without waxing for up to three years. New bigger brakes. Vast new areas of visibility. New Hi-Thrift 6. New handling ease and road steadiness. It's new right down to the tires!*

Never before has an automobile manufacturer made such sweeping changes two years in a row. And never before has any car been new like this one.

The 1959 Chevrolet is more than a restyled car — more, even, than a completely new car. It's your kind of car. Shaped to reward your new taste in style. Designed to anticipate your desire for greater roominess and comfort. Engineered for greater safety, economy, ease of handling and smoothness of ride.

Your first look shows you that Chevrolet says new like nobody else. New Slimline design brings entirely new poise and proportion to automobile styling. Inside the new and roomier Body by Fisher you'll find truly tasteful elegance. And you'll have clear seeing from every seat. The new Vista-Panoramic windshield curves overhead — and there are bigger windows all around.

When you take the wheel, you begin to find that Chevy's newness goes down deep. A new steering ratio makes handling easier. New suspension engineering gives you a more stable ride. There's a sweet new edition of Turbo-glide.\* Eight V8's plus a new Hi-Thrift 6 that goes **and** goes on a gallon. New and bigger brakes. Even new tires!

There's still more! A new Magic-Mirror finish that keeps its shine without waxing or polishing for up to three years. New Impala models. Wonderful new station wagons — including one with a rear-facing rear seat. And, with all that's new, you find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet.

\*Extra-cost option.

Bel Air 4-Door Sedan — new right down to its tires.

## Baptist Church

### presents program

The choir of the White Rock Baptist Church presented an enjoyable musical program following the regular weekly prayer meeting, Wednesday evening, October 1.

Mr. Frank Wiebe was master of ceremonies; soloists, Dave Meek, W. Robinson and Mrs. Jackson, duet by Mrs. Craven and Mrs. Jackson and violin solo by Miss Inge Sussbauer accompanied on the piano by her mother, Mrs. J. Sussbauer. The choir rendered two numbers.

Dr. K. Middleton, chairman of the Deacon's Board presented Miss Sussbauer with a Bible which she will use in studies this winter at the Baptist Leadership Training School in Calgary.

A delightful luncheon was served by the ladies of the church.

## Council to move Gillespie garage

Council's patience on the matter of the removal of Mr. Fred Gillespie's garage, expired Tuesday night, with decision to send word Wednesday that city workmen will either move it onto the front of his property for him or demolish it.

The garage at 15388 Victoria Avenue, is situated on road allowance and Mr. Gillespie has been asked repeatedly to remove it. Council feel he has ample room on the front of his lot to house the garage if he so desires.

Mr. Gillespie is making attempts to sell the garage at present.

THE KIMBERLEYS, Dick and Sheila. "A show in themselves." Acclaimed as one of the most versatile and entertaining acts in show business today, the Kimberleys special-

ize in songs with piano, impressions, comedy routines and instrumentals. They will appear on the Mart Kenney Show, Thursday, October 23 at the Panda Supper Club.

## Pioneer Guides, leaders attend 'Retreat' here

Reports of apathy levelled against parents recently were refuted when 50 mothers left their Thanksgiving dinner preparations to attend a "retreat" for Pioneer Guides and leaders staged in Ocean Park, October 10 and 11.

Each mother attending had made lengthy preparations for her family prior to freeing herself for the occasion, but in each case the importance placed on the "retreat" warranted the preliminary arrangements. Mothers from Ferndale, Richmond, Vancouver, Surrey and as far away as Hope were in attendance with various denominations represented.

The well arranged program included workshops in handicrafts, nature study, committee work, music, program organization, woodcraft and outdoor cooking.

Each mother prepared her own meals over "hobo stoves" prepared by soaking rolls of tightly rolled corrugated paper in wax. The interesting menu, planned to thrill young campers comprised of package stew, pot of gold, dilly dogs, and other tempting fare.

Instructors from Seattle were on hand to supervise in the workshop periods while Mrs. Alice Dewar of the Alta Vista Baptist Church, Burnaby, instructed the music.

The work of Pioneer Girls began in 1961 when Carol Erickson, a Christian College stu-

## Retarded children still await bus

South Surrey's retarded children are still waiting for the promised Bunny Bus which will transport them to and from classes.

The necessary \$3500 required to purchase the \$4500 bus is being tackled by interested parties here and there with recent donations coming in from the P.E.O. to the tune of \$100.

Also assisting in the cause has been the Crescent Arts and Crafts Guild with the gift of \$10 for equipment and the gift of a handbasin for the Retarded Children's School on Johnston Road, from an anonymous donor.

Eight pupils are now enrolled in the school and parents are providing transportation to and from classes. Any interested parties are asked to contact Mrs. Larry Doyle for information, WI. 8-9305.

## NOTICE OF

### Public Hearing

NOTICE is hereby given that the Public Utilities Commission has commenced proceedings to review the natural gas rates of British Columbia Electric Co. Ltd. for all areas and will hold a public hearing at which all interested parties will be heard.

And further take notice that because natural gas distribution is comparatively new in British Columbia and has special cost characteristics which are not well understood by users, it is the intention of the Commission, if possible, to arrange for testimony at the hearing on such cost characteristics by one or more experts in the field.

And further take notice that the Public Utilities Commission intends to hold public hearings at the City of Vancouver in order that all interested parties may attend and make full representations to it.

And further take notice that such hearings shall commence on Tuesday, the 4th day of November, 1958, at the Vancouver Public Library, Robson & Burrard Street, Vancouver, British Columbia, at the hour of 11:00 a.m. in the forenoon, at which time the Company will be called on to present its operating results.

And further take notice that all persons who intend to make representations are requested to furnish the Secretary of the Commission, Mr. H. W. Mellish, Central Building, Victoria, British Columbia, on or before the 4th day of November, 1958 with their names and addresses and whether they act in a representative capacity and if so on whose behalf.

And further take notice that such persons as aforesaid are expected to appear before the Commission at 11:00 a.m. November 4th, 1958 at the Library, City of Vancouver, aforesaid, at which time inter alia the Commission will set a date for the production of briefs of evidence in support of the intended representations.

Dated at Victoria, British Columbia, this 10th day of October, A.D. 1958.

H. W. MELLISH,  
Secretary,  
Public Utilities Commission,  
Central Building,  
Victoria, British Columbia.

## COUNCIL BREVITIES

Works Committee members moved to take no action on the request of Vancouver City Council to back them on their protest of the proposed sale of the B.C. Electric transit system.

Council agreed pending the approval of the RCMP to allow the film van to use the library van parking lot adjacent to the library.

A formal protest will be sent to the Pacific Stage Lines on their proposed increase in fares for which they have applied to the PUC. They are requesting a half cent a mile increase, or a 12½% increase, effective, November 1.

H. T. Douglass and Mr. Field of the Douglass-Field Building have agreed to pay full costs of the vehicular crossing required at their parking lot adjacent to their building.

Committee members moved that driveways be constructed to a thickness of 5 inches with reinforced mixture being used wherever the Superintendent of Public Works deems it necessary. All construction will be subject to the approval of Bob Howse.

Council will draft specification for construction of future sidewalks crossings within the city.

Request from the Surrey School Board that daily garbage pickup be instituted at the White Rock School rather than the four day a week procedure being carried out moved Council to agree on a charge of \$1.50 per week rather than the \$1 per month formerly agreed on.

Members moved that applications be invited for the positions of firemen at the White Rock-Sunnyside Fire Department, with notice to be posted in the fire hall as well. All applications must be in as of noon, October 27.

## Land reclamation program for '59

Land reclamation will get under way in White Rock at the first of the year, Committee members decided Tuesday night.

Greatest care will be taken to carry out the sanitary fill expertly so that it will prove a boon to the city, resulting in reclaiming much unusable land.

Members moved to allocate some of the funds left over from the planning budget to seek expert advice on planning Ruth Johnston Park with a view to making the best use of the resources available.

The Keil Street site will be undertaken initially, and following its completion plans are to reclaim the North Bluff end of Ruth Johnston Park creating eventual parking area and playing field.

# IT'S RANGE ROUND-UP TIME AT YOUR APPLIANCE DEALER'S!

AT LEAST \$50 trade-in allowance

for your old range on a new automatic gas range!

OFFER GOOD UNTIL OCTOBER 31<sup>ST</sup>

Start enjoying modern gas cooking at a \$50 saving! Your present range — no matter what type or age it is — will bring you a \$50 trade-in allowance on a new automatic gas range in your dealer's selection! A new gas range will let you prepare better-tasting meals faster and easier. Automatic features save you hours of time and effort, give you perfect cooking results every time. Visit one of the appliance dealers listed below now, take advantage of this attractive offer, and join the good cooks everywhere who are cooking with gas!

**B.C. ELECTRIC**

ENJOY THESE MODERN, WORK-SAVING FEATURES WITH A NEW AUTOMATIC GAS RANGE!

**AUTOMATIC OVEN TIMER CONTROL** lets you leave the house while a meal is in the oven, and return to find it cooked to perfection!

**THERMOSTATIC CONTROL** on top burner — the "burner with the brain" — cooks at the exact temperature you set — and the heat stays at that temperature until you turn it off. No fear of overcooking, make cream sauces without ever scorching.

**FLEXIBLE HEAT CONTROL** — you can choose the exact heat you need for every dish — from a simmer to a sear!

**AUTOMATIC IGNITION** — a feature on all surface and oven burners. Safety pilot lights use only a tiny amount of gas.

**ECONOMY FLAME** lets you boil slowly to retain flavour and nourishment in vegetables.

**INSTANT HEAT** — Turn it on — it's hot instantly. Turn it off — it's right off.

**DRIP TRAYS** under burners catch all fat and grease, simplify cleaning.

**SMOKELESS BROILING** — the clean gas flame consumes all smoke and grease particles for tastier, more healthful broiling!

**AIR CONDITIONED OVEN** — you can bake a variety of foods at one time without fear of flavour "borrowing".

**SELF-LOCKING OVEN RACKS** — there's less chance of upset dishes or food on the kitchen floor.

### TRADE NOW!

Your present range will never be worth more! This saving of at least \$50 makes it a grand opportunity to own a new automatic gas range.

## Douglas News

Mr. and Mrs. J. Andrews and daughter of Prince George are visiting Mrs. Andrews' parents, Mr. and Mrs. A. S. Gough.

Mrs. B. Rawlinson has returned home from her visit on the PGE inaugural trip to Dawson Creek.

Comments in the Peace Arch visitor book are many and varied, but the best came from a British Columbian from the interior. He wrote "Look around this Peace Arch Park, it smiles to you like a bride smiles at her groom."

Talent, like beauty, to be pardoned, must be obscure and unostentatious.

## Land reclamation films seen by Rotary Club

Films on how land is reclaimed by garbage disposal were seen by members of White Rock Rotary Club at their weekly luncheon meeting Oct. 6.

Lloyd Measner and Allan Coe of Finning Tractor showed the film entitled "Caterpillar Discusses a Community Problem." The guests were introduced by City Clerk John L. Jones.

Mr. Jones pointed out that quick lime is used in places where garbage is disposed to keep away rats.

Rotarians learned that White Rock Branch of the B.C. Historical Association is asking for donations from various clubs to provide attractive wooden markers for the Semiahmoo Trail.

The Club welcomed a new member, Dr. Al McPherson, who has joined under the classification of Dentistry.

Members felt there has been some misunderstanding as to the Rotary Youth Centre's relationship with the School for Retarded Children. The Club points out that this building's primary purpose is a Youth Centre and the Retarded Children's School merely makes use of the building.

## Crescent Legion L.A. to hold bazaar

CRESCENT BEACH - The regular monthly meeting of L.A. to Canadian Legion No. 240 was held in the hall on Thursday afternoon, October 9, with Mrs. Ruth Miller presiding.

The President initiated five new members to membership in the auxiliary.

A bazaar and tea will be held in the hall on Saturday, November 8 at 2:00 p.m. Final arrangements were made, with Mrs. W. Grant and Mrs. D. O'Donnovan appointed at general convenors, and also convenors of the door and the white elephant, home cooking, sewing and plants. Mrs. Winifred Grant was appointed kitchen convenor.

Refreshments were served at the close of the meeting.

## Surrey Band plays at football game

The Surrey Municipal Band played three engagements recently, the first at the Fair Grounds at Cloverdale, at the opening of the old Surrey Museum. The second and third were at the hall park to open the football season, and to entertain the Rams at half time.

Parents' Auxiliary was in charge of the refreshment booth, where the hot dogs were dispensed with the speed of the proverbial "hot cakes."

Mr. Jim Rigdon of Sunnyside Road was welcomed back to the trumpet section of the Surrey Municipal Band after a lengthy spell of illness.

Dairylea Glee Club are coming out to put on a program towards the end of October. It will be a combined Glee Club and Band Concert.

## B.C. has highest liquor per capita, WCTU told

B.C., which has now gained prominence as having the highest liquor consumption rate of any Canadian province, has 20,000 alcoholics. This number is increasing at the rate of 12,000 per year.

This is the warning sounded by J. D. McRae, secretary of the Foundation of Alcoholism Research of Vancouver, when he addressed the regular monthly meeting of the White Rock Branch of the W.C.T.U. held in the Baptist Church October 1.

Vancouver witnessed the arrest of 13,870 drunkards in 1957 alone, and this number will be outdone this year, the speaker warned.

Since 1955 over 2000 new alcoholics have come to the clinic of their own free will seeking help for their problem, the speaker said.

Alcoholic Foundation leaders contend that parents are not being fair to their children if they fail to give them the facts about alcohol. It affects every strata of society and every walk of life.

They should know that 40 percent of the people who become alcoholics do so because they are under pressure or have a problem. They drink for the effect liquor has on them. It is relaxing. But, so are narcotics, and we don't take a narcotic every time we want to relax.

Sixty percent of the unfortunate people who become alcoholics reach this point through social drinking. Foundation leaders pointed out.

The Foundation was founded on November 12, 1953. Believing alcoholics are sick and are treatable and curable, Foundation members have pledged themselves to promote and conduct research, promote and direct programs for alcoholics to carry on programs of education and to enlist co-operation of all societies.

The Foundation was assisted by a Government grant of

\$25,000 upon its inception and later in 1957 they received a second grant of \$75,000.

Services rendered during the past five years have included research. They believe that without research they will have no truth to present and wilt, but truth they cannot progress. They feel their gained knowledge must be accelerated to meet present day needs. A jail farm is required to meet present day needs, they feel.

Another service they render is education. They feel this is a preventative and active information is needed to stir the public.

Since 1955 films have been available and shown throughout B.C. This year for the first time there was a display at the P.N.E. and Cloverdale Fair and the Foundation is delighted with the splendid results and the interest shown by the public.

Treatment and rehabilitation go hand in hand, they feel. In 1955 the Foundation started an Out-Patient Clinic and at that time they had one counsellor, one part time doctor and one secretary.

In 1958 the Clinic boasts a part time clinical doctor; full time doctor; part time psychiatrist; three social workers and several secretaries as well as a pastoral counsellor.

Figures show that in 1955 652 new patients came for treatment; 1956, 672 new patients; 1957, 532 patients and already this year, 217 new patients.

A residence for men was opened in 1955, consisting of nine beds where a patient could receive 18 days care. In 1957, 127 patients benefited from these facilities. The foundation now has an Experimental Clinic plan in conjunction with the Vancouver General Hospital.

Mr. McRae told Dr. Goldberg of Stockholm, Sweden, who

devotes all of his time to alcohol research. He has discovered in alcoholism there are carriers in the same way as in typhoid. A foreman of a company or one man in a block of homes who may be an alcoholic may influence many in that direction. This fact has been proven in communities in New York.

Alcoholism is very complex, Mr. McRae pointed out, and affects every phase of a man's life. One in six alcoholics are women.

The devotional was given by Mrs. H. Cook, and musical numbers by Mr. and Mrs. W. Wilson.

## Anglican Church plan social evening

OCEAN PARK - The Mission Group of The Ocean Park Anglican Church met at the home of Mrs. J. R. Stubbs on Wednesday afternoon.

Regret was expressed that owing to other duties Mrs. E. Durrant had sent in her resignation as secretary-treasurer. Mrs. L. Laronde was elected to fill the post.

The group made tentative arrangements to hold a social evening on November 21. The November meeting will be held at the home of Mrs. S. J. Uren, North East Road.

If you have great talents, industry will improve them; if by moderate abilities, industry will supply their deficiencies.

Samuel Smiles
